Q. Write a paragraph on
"Rome was not built in a day".

"Rome was not built in a day" is an apt proverb to explain the importance of hard work and dedication in life to achieve success. The statement is an inspiration that success when achieved after loads of hard work is rewarding and is worth every effort. We are often impatient and want to take a leap in terms of success and prosperity but if it was that easy everyone would be successful and rich.

We can dream big, our dreams in life have no boundaries but there would be many obstacles on a path

to wards fulfilling the dream as ⁽²⁾ nothing comes easy in life. One needs to put in efforts and work hard to battle the obstacles coming in way and have patience to reach the final destination - One should keep working in life until the dream is fulfilled and do not give up easily.

Rome, It lay was not built in a day - Rome evolved to be one of the most glorious and admirable cities of the world, and it took ages for such a progress. So the proverb 'Rome was not built in a day' is rightly said and is an expression that communicates the power of hard work, patience and determination in achieving such a triumph or making a dream come true.
